

Curriculum Vitae for Dohuk University Staff

A. Personal information:

Nationality	Place of Birth	Date of Birth			Full name	Family name
		Day	Month	Year		
Iraqi	Baghdad-iraq	20	11	1979	Dilan jasim khalil	Al barawi
Mobile Phone	Home phone	E-mail			Office Address	
(00946) 07504987874	-	Dilan.gasem@yahoo.com			Iraq, Kurdistan Region, Scientific Research Center	
Native Language: Kurdish				Other Languages: Arabic, English.		

B. Qualifications: *M. Sc. In Biology*

General specialization	Accurate specialization	Present scientific title	Degree
Biology	Molecular Microbiology	lecturer	MS
Present duty	Present Department	Present College	Present University
Researcher program at Scientific Research Center	Scientific Research Center	College of Science	Dohuk University

M. Sc. thesis title:-

Loss of heterozygosity on 21q11-22 region in colorectal cancer.

B.Sc. and others :-

Main Subject	Degrees and academic distinctions	Years attended		College	University	Country
		From	To			
B.Sc. In agriculture \animal production	Fair	1998	2002	agriculture	dohuk	Iraq
M.Sc. in molecular biology	Excellent	2012	2014	Art and science	Gaziantep	turkey

C. Positions:

Positions	Current position	Previous posts (other than the University)	Posts you held in other Universities
Academic	Lecturer and researcher in Scientific Research Center	-	-

D. Scientific titles:

Titles	Date		
	Day	Month	Year

Assistant Lecturer	7	4	2015
--------------------	---	---	------

E. Scientific Researches (published):

Research Title	Publisher
Xmn1 polymorphism in B- thalassemic paition in Duhok	Duhok medical Journal \ 5-6-2012
Identification of some genomic markers for detection of thyroid cancers by RAPD Technology	Journal of Koya 5-2012

F. Teaching experiences:

University	College	Dept.	Stage	Subject	Academic Year	No .of hours / weekly	
						Theo.	Prac.
Dohuk	Education	Biology	third	Molecular biology	2015	-	12

G. Work Experience:

1) Good experience in molecular biology techniques such as PCR .
--

H. Certifications:

Title of Certification	From	Date
HLA typing – Serology and DNA	BAG Health care of D-35423 Germany-in Scientific Research Center- Dohuk University	28 th April. 2009
Loss of heterozygosity of 21q11-22 region in colorectal cancer	Health and science postgraduate conference \ Malaysia	June 10-11, 2014
Bioremediation of petroleum hydrocarbons contaminants wastewater for Baiji thermal power station in Iraq	2 nd international conference on environmental science and technology – side. Antalya\ turkey	May 14-17, 2014
Analysis of loss of heterozygosity on 20q11-13 chromosome region in bladder cancer	5 th Turkish medical oncology conference. Antalya\ Turkey	March 19-23, 2014
