

Siyamand Mohammed Ali

Midya- Duhok

Mob: 07504948743

Email: siyamand.mohammed@uod.ac

Academic background

- M.Sc. Water resources technology and management from the University of Birmingham in England(2012)
- B.Sc. Water resources engineering from the University of Duhok(2008)
- Finished high school in Rubad high school in Duhok (2004)

Employment

- Got employed at the University of Duhok as Assistant Engineer in 2008
- After M.Sc. degree award in 2012 has become an Assistant Lecturer at the Water Resources Engineering Department

Published Researches

[Creating a bathymetric contour map using acoustic Doppler current profiler \(ADCP\): Duhok Dam reservoir as a case study](#)

Farsat Heeto Abdulrahman, Siyamand Mohammed Ali, Ali Abduljabar Yousif

Polytechnic Journal 7 (4)

2017/12/14

[CHARACTERISTICS OF HYDRAULIC JUMP ON A STRIPED CHANNEL BED](#)

SHAKER AJ ALIL, SARHAN A SARHAN, SIYAMAND M ALI

Journal of Duhok University, 654-661

2017/7/29

Research Interests

My research interests include:

- Fluid dynamics
- Supply and demand management
- Turbulent flows

Teaching Experience

- Reservoirs and Dams Engineering
- Advanced Calculus
- Computer Fundamentals
- Computer Programming
- Academic Debate
- Engineering Surveying
- Mathematics III
- Mathematics IV
- Higher Engineering Mathematics
- Engineering Analysis
